You have been asked to verify your and/or your parent(s)/stepparent's 2014 federal tax filer information. Below, please see the different methods for submitting the 2014 tax filer information.

The preferred method of updating your Free Application for Federal Student Aid (FAFSA) with your 2014 Federal Tax Return information is the IRS Data Retrieval Tool (DRT). Returns filed electronically will be available to use the DRT 2-3 weeks after the return has been accepted by the IRS. Filers using a paper return will be available to use the DRT after the return has been received and processed by the IRS. In order to see if you qualify to use the DRT, please do the following:

- Log into your FAFSA at www.fafsa.ed.gov.
- Select Make FAFSA Corrections.
- Navigate to the Financial Information tab.
- If you qualify to use the IRS DRT, enter your FSA ID and click Link To IRS. Click OK to continue.
- Once on the IRS website, enter all of your information correctly. Click Submit.
- Check the “Transfer My Tax Information into the FAFSA” box and click Transfer Now.
- Once completed, select OK and return to the FAFSA - make sure to sign with all FSA IDs required.

Detailed information on how to use the IRS DRT and information on why a person does not qualify to use the IRS DRT is available on the Office of Student Financial Aid website - www.osfa.illinois.edu/process/verification/index.html.

If you do not qualify use the IRS DRT, you must submit a copy of your 2014 Tax Return Transcript to our office with student’s name and University Identification Number (UIN) printed on each page. This form can be obtained in the following ways:
