We have reviewed your parent(s)/stepparent’s and/or your and/or your spouse’s (if married) 2015 IRS Tax Return information that was submitted to our office. The document indicated that in 2015 there were IRA distributions and/or pensions and annuities of which all or a portion had not been taxed during 2015.

Generally, distributions from pensions, annuities, profit-sharing and retirement plans, IRAs, insurance contracts, etc., are reported to you on Form 1099-R. Federal Regulations state that if you receive a lump-sum distribution from a pension, annuity, profit-sharing or retirement plan, IRA, Insurance contract, etc., you can roll over the distribution into another qualified retirement plan or IRA and keep it in a tax-deferred status. These rolled over funds should not be reported on the FAFSA as untaxed income.

Listed below is the type of distribution received. Please indicate if all, some or none of the distribution was reinvested, then sign and either fax this letter to (217) 265-5516 or mail it to the address listed above as soon as possible. Please include the student’s name and University Identification Number (UIN) on every document submitted to our office.

**IMPORTANT! If some or all of the distributions were reinvested, please attach documentation from the financial institution handling the investment to show the amount reinvested or submit your 1099-R.**
