Financial Aid Concurrent Enrollment Agreement

Policies and Procedures

1. The student completes the University of Illinois Financial Aid Concurrent Enrollment and submits it to the Parkland College Office of Financial Aid.
2. Once Parkland College confirms the student's enrollment for the semester requested, the agreement form is signed and returned to the University of Illinois, Office of Student Financial Aid (OSFA) for approval.
3. If the student has met the admission requirements of the cooperating institution (Parkland College) and the student has registered for at least (and normally more than) as many hours at the home institution (University of Illinois) as at the cooperating institution, the concurrent enrollment agreement will be approved.
4. Student's eligibility for financial aid will be determined by the number of hours in which the student has enrolled at Parkland College with the number of University of Illinois registered hours. The total enrollment status (i.e. full time, $\frac{3}{4}$ time or $\frac{1}{2}$ time) will be used by the Office of Student Financial Aid to determine eligibility for State and Federal Financial Aid only, and it does not apply to other enrollment status matters that may be required by University of Illinois at Urbana-Champaign academic colleges and departments. You must be registered at least 12 hours at the University of Illinois to receive institutional financial aid funds.
5. The student is responsible for the payment of tuition and fee charges incurred at Parkland College.
6. During the semester, for which the Concurrent Enrollment Agreement was approved, the student is responsible for immediately reporting any changes in enrollment at Parkland College to the University of Illinois, Office of Student Financial Aid.
7. The student is responsible for submitting a copy of their Parkland College final grade report to the University of Illinois, Office of Student Financial Aid within 2 weeks after the end of the semester. Failure to submit a grade report within the specified time will result in the removal of Parkland College hours from financial aid records and all previously awarded aid based on those hours will be cancelled, and as a result, the student should expect a bill.
