This is your 2015-2016 Financial Aid Award Letter from the University of Illinois at Urbana-Champaign. Initial Award Letters are based on a minimum of 12 hours enrollment for the Fall 2015 and Spring 2016 semesters. If you are not enrolled for at least 12 hours for either of these semesters your Cost of Attendance and Financial Aid Awards will be adjusted to reflect your actual enrollment. Additionally, if you are receiving a scholarship, grant, fellowship or tuition waiver that is not on this Award Letter this information should be reported to OSFA. To report enrollment of less than 12 hours for Fall 2015 or Spring 2016, or to report the receipt of additional scholarships, grants, fellowships or tuition waivers you should select the “Request Changes” button at the bottom of this page. If you do not notify OSFA of this additional information you may initially receive financial aid that you are not eligible to receive and you will be required to repay these funds to the University.

Additional information about the awards you have been offered is available at www.osfa.illinois.edu. If you have questions regarding your awards, please contact a Student Financial Aid Administrator at finaid@illinois.edu or 217-333-0100.
